

PittMed Professionalism Accolade

CONGRATULATIONS!

JOSEPH DARBY, MD

Professor
Critical Care Medicine
Neurosurgery

“Dr. Darby is a great teacher and leader who is a positive role model for everyone working with him. During the morning round, he is willing to listen to every team member's opinion include the nurses and social workers. He also takes a substantial amount time to address and teach the medical student. He always treats everyone around him with dignity and respect.”
