

PittMed Professionalism Accolade

CONGRATULATIONS!

Shreya Desai, MD

Resident – PGY3
Department of Family Medicine

“Dr. Desai deserves recognition for responding to the code at my request when Dr. Lundeen sent me to get help from our FM team. When I told her what was wrong, she dropped everything and ran to help out her co-resident without questioning or minimizing my request. She took me seriously as a trainee in an emergent situation and prioritized helping our colleague who needed back up. For these incredible acts of professionalism during a critical situation, she deserves recognition.”
