CONGRATULATIONS!

Susan Lang, MD

Medical Resident

Department of Obstetrics, Gynecology
and Reproductive Sciences

"Dr. Lang is a star. In the midst of a very busy clinic schedule, a particularly demanding patient confronted Dr. Lang... Dr. Lang remained kind, incredibly patient... Dr. Lang really put the patient first in this moment... Her ability to treat a patient with kindness and grace, when the same kindness was not given to her as a clinician was impressive to see. She was genuine, considerate, and answered all questions with grace. She is an exemplary physician and is what I aspire to be like as a future physician. It was a real joy to work with her."
