Start of Block: Personal Documents

Q10 Please list major prior teaching experiences with an emphasis on teaching medical students, graduate students, and/or residents.

Q11 Please list any medical education or other education training (i.e. courses or programs in pedagogy, Master in MedEd, etc.)

Q12 Briefly highlight your past activities showing a commitment to medical education

Q13 Briefly highlight past engagement and scholarship within the areas of Diversity, Equity, and Inclusion

End of Block: Personal Documents

Start of Block: Statements

Q14 Personal Statement (max 350 words): We value educators who can create and facilitate environments that promote the highest quality learning. Please explain how you feel that your experiences and attributes are best suited for this role and inform your educational philosophy. NOTE: We look for an educator who is dynamic in assessing and adapting to the behaviors and needs of their students. Someone who can work and adapt in different environments is better than one with a rigid philosophy.

Q15 Diversity (max 200 words) – We want the LE/CSP to represent diversity in terms of gender, ethnicity, career path and job. Tell us about how you would add to the diversity of educators for our students.

Q16 OPTIONAL: Life Experience Essay (max 200 words): Please explain any life experiences or circumstances that you feel the selection committee should consider when evaluating your candidacy as a longitudinal educator.

Please tell us about why you want to do this job and what about you is a good fit for being an educator for first and second year medical students.

End of Block: Statements

Start of Block: Documents

Q16 Please upload your CV

Q17 Please upload teaching evaluations from the last three years as one file

Q20 Please upload a BRIEF letter or e-mail of support from your department Chair, supporting your application for this position and acknowledging that they will free up your time to allow you to participate. They should specifically note if you have, through other duties, already been meeting your required 10% time for academic effort for your initial Pitt base salary, or if the role will be added on top of that effort.
