CONGRATULATIONS!

Thiagarajan Meyyappan, MD

Resident, PGY-2
Department of Surgery

“Thiagu was easily one of the most supportive residents I've worked with during my medical education. He went out of his way to go over patients with me, while also taking time to go over teaching points most days. He always addressed my questions in a respectful manner and was darn smart to boot. He was easily the best younger resident I've been with during my time at Pitt. Wish I could have him as a teacher again.”
