

PittMed Professionalism Accolade

CONGRATULATIONS!

Sara Myers, MD

Resident, PGY-4
Department of Surgery

“Dr. Myers was easily the best teacher I've had during my time at Pitt Med. She was extremely supportive and provided extensive feedback with respect to what could be improved upon in a way that was relatable and not embarrassing. Hoping Pitt hangs on to her in the future, as I would be extremely grateful to have her as a boss one day.”
