CONGRATULATIONS!

Eloho Ufomata, MD, MS

Advisory Dean UPSOM
Assistant Professor
Department of Medicine

“I wanted to take a moment to highlight what an absolutely wonderful and invaluable advisory dean Dr. Ufomata has been to us. She is there for us whether it's via zoom, email, call, or text. She finds away to fit you in no matter how busy she is. Most of my requests for a meeting result in us talking within a day. I don't know how she does it but she finds a way to fit you in. Not only is Dr. Ufomata a supremely skilled physician, but she is also just as amazing as an educator, advisor, and leader. I feel like I could talk to her about anything and I do not know how anyone survives this virtual interview process without a Dr. Ufomata in their life. She is both supportive and honest in her feedback. If I was in charge and someone had questions about how to be a mentor, I would send them to Dr. Ufomata. Even though she is new to the role, it already feels like she has been doing this forever. She is the kind of physician and person that I strive to be. It has been an honor to know her and to be mentored by her.”
